

SUMMER 2022
WEBINAR WEDNESDAYS
4:00-5:30 PM*

June	<p>15 Digital Reading Strategies</p> <p>Learn to engage students with digital reading strategies in this NEA webinar. Topics include how to differentiate and maximize your planning time with EdTech like self-grading Readworks and how to customize your lessons quickly with digital sorts and graphic organizers through Google Slides, Google Draw, and Padlet.</p>	<p>22 Understanding Students & Empathy</p> <p>Define and understand anger and its relationship to trauma while exploring bias and how it can prevent the development of authentic empathy. NEA presenters share scenarios and empathy statements to convey the benefits of empathy with a goal of helping educators develop classrooms that teach perspective while nurturing empathy.</p>
	July	<p>13 Google Education + UDL = Learning for All</p> <p>Google Workspace for Education gives teachers many opportunities to implement the Universal Design for Learning (UDL) framework with students. NEA presenters help you examine UDL, the accessibility features in Google Workspace, and Chrome extensions and add-ons that can help all students master the curriculum.</p>
August	<p>3 *(9:00-10:30) Weebly: The Free Website Builder</p> <p>Design a digital space for students and families to access your links, documents, and more using Weebly. Join NEA presenters in this interactive tutorial on Weebly’s free account tools.</p> <p>.....</p> <p>(4:00-5:30) Why We Use EdTech</p> <p>After leveling up your EdTech capacity during the pandemic, consider the key components of quality blended lesson design. NEA presenters share ways to asses how well EdTech engaging students to enhance and extend their learning.</p>	<p>10 Understanding Students & SEL</p> <p>Learn about the five competencies of SEL and how they can help your students succeed. NEA presenters share real classroom examples of these five competencies: self awareness, social awareness, responsible decision making, self-management, and relationship skills. Then discuss the importance of self and student practices.</p>
